UNIFORM SHOP HOURS IN JANUARY

Please note the dates and times the uniform shop will be open in January prior to Term 1 2018.

THERE WILL BE ABSOLUTELY NO SALES ON MONDAY 29TH JANUARY 2018

Monday 22nd to Thursday 25th January – 9.00 am to 2.00 pm

Friday 26th January – CLOSED

Monday 29th January – CLOSED

Tuesday 30th January – 8.30 am to 3.30 pm (first day for Year 7 students)

CANTEEN

First up we must say a huge thank you to the volunteers who help out in the canteen. One lady in particular, Denise Burley, has volunteered for the past four years and always helped the children with cake stalls (best cupcakes ever I'm told), eisteddfods and "On Show". The ladies in the canteen are going to miss you Denise and we wish you well.

We also say goodbye to Ros who has been with us for the past 18 months and we are grateful for the contribution she has made. The permanent part-time position left vacant by Ros will be advertised in The Coffs Advocate in late January or you can email a request for an information pack chspandc@gmail.com.

The canteen price list is being revised and customers will notice a slight increase in some items next year. The new menu is published at the back of this newsletter.

We are in the process of implementing the Healthy School Canteen Strategy announced by the Premier to assist with combating childhood obesity. Customers will see some gradual changes in what is available for sale prior to the compliance deadline of 2019.

GOODBYES

The P&C invites you to come along to any of our meetings held in the school library at 7.00 pm on the first Monday of the month during school terms. Our next meeting will be held on 5th January 2018. We look forward to seeing new parents there! We are losing four of our regular, long-serving P&C members next year so there will be a tinge of sadness and heaps of big thank you hugs when we farewell Sally Bryant, Leanne Bourke, Deanne Parker and Jenny Woschitzka. Hopefully we will have lots of new mums and dads join our group next year bringing with them an injection of fresh ideas.

THANK YOU

A huge thanks to our President Sally Bryant, Treasurer Karen Bryant and Secretary Rebecca Hulbert, who kept the ship on course over the past year and who gave up so much of their time, not forgetting the remainder of the executive, canteen committee and P&C members. Thanks also to canteen manager Michelle Waugh who does an amazing job, wonderfully supported by Amanda Langfield, Ros Rose and Maryanne Spiteri.

P&C REPORT

ACHIEVEMENTS

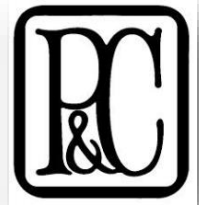

Apart from contributing funds for things like water coolers around the school, the scooter rack, music stand banners and the new timber furniture at the entrance, the P&C also supports students directly. This is by way of donating the book vouchers for the end of year presentation, uniforms for the SRC and financial assistance for students representing the school in academic, artistic and sporting endeavours. We also contributed \$3,000 towards the cost of the Exodus buses. That's well over \$20,000 worth!

HAPPY HOLIDAYS

The P&C would like to thank Ms Kearns, Deputy Principals Ms Burnham and Mr Henry, along with the fantastic, enthusiastic team of teachers and staff for allowing and encouraging us to take an active role in the school as more than fundraisers.

We wish you all a happy and safe holiday.

Paul Covington
PUBLICITY OFFICER

FROM THE DEPUTY PRINCIPAL

As the year draws to a close, I would like to take this opportunity to say thank you to all of our families for a wonderful year. 2017 has been an amazing year with so many success stories and I am immensely proud of our students for their willingness to take opportunities and make them a success.

One of these opportunities has been our recent EOYIE event. EOYIE stands for End Of Year Interest Electives and this year has again given our students and staff lots of wonderful experiences that have enriched our final week. Two of the highlights would have to be the students travelling to Brisbane to experience the wonderful GOMA while at the other end, a group of students had the amazing experience of a three day camp at the Gorge. While the feedback for this week continues to be positive, as always, if you would like to make any suggestions about how we could improve the activity, please make contact with the school.

I would like to also take this opportunity to wish you all a safe and happy Christmas and New Year.

Nick Henry
RELIEVING DEPUTY PRINCIPAL
(YEARS 7, 9 & 11)

IMPORTANT DATES

| DATE | EVENT |
|--|---|
| Monday 29 th January 2018 | Teachers return to school – this is a pupil free day |

| Monday 2 nd April | Easter Monday – Public Holiday |
| Last day of Term 1 | Friday 13 th April 2018 |

YEAR 7 2018 TRANSITION DAY

ALL SCHOOLS TRANSITION DAY

On 5th December, Coffs Harbour High School was home to the All Schools Transition Day for the incoming Year 7 students. Next year's cohort now is totalling approximately 223 students with the creation of eight Year 7 classes, a new record for total Year 7 enrolments at Coffs Harbour High!

Across the course of the day, the new students had opportunities to engage in a variety of mini lessons designed by the teachers at Coffs High.

Each student had the opportunity to engage in:

- English
- Drama
- History
- Mathematics
- Science
- Music
- Technology
- Sport

Students enjoyed a barbeque lunch on the day, giving them the opportunity to meet new friends in the process. Year 9 peer leaders proved invaluable providing support and guidance to the new students when needed. The day went off smoothly and I would like to say a huge thank you to all staff and students who made the day a success.

Kyle MacDonald

YEAR 8 GROUP CHALLENGE TEAMS RISE TO THE OCCASION!

Congratulations to the 40 amazing students who took part in this year's Group Challenge. Although many were tired from the "Wet 'N' Wild" reward excursion, Friday 1st December saw them ready to share their work with the school community, family and judges.

Throughout the day students presented their research, products and ideas on a wide variety of topics. Some groups raised awareness of ecological and social issues and raised money for charities such as World Wildlife Fund and Coffs Coast Shelter. Others had taken on the challenge to improve our school, with ideas ranging from an App for new students to find their way around the school, to the benefits of solar power for our school or ways to renovate our school hall.

Creativity abounded and the audience were treated to the chance to buy hand-made bags, Panda socks, food, bath products for sensitive skin, student-written newspapers, recipe books, as well as the opportunity to play an original computer game made by one of our teams.

Throughout the past two terms, it has been a pleasure to work with these students and watch them develop their skills in important areas such as teamwork, critical and creative thinking. I would like to congratulate them all and thank the staff and community for supporting such a worthwhile learning opportunity.

ARTICLE BY MIRANDA THOMAS (YEAR 9) YOUTH PARLIAMENT IN SYDNEY

Recently, I was given the opportunity to attend the inaugural Children's Week NSW Youth Parliament, organised by the YMCA and the Advocate for Children and Young People (ACYP). This two-day event took place in Sydney. One representative from Year 7 - 9 from each of the 93 electorates across NSW was selected to represent their electorate, so all together approximately 93 students were in attendance. I flew from Coffs and together with students from all over NSW, met at the ACYP Office in Sydney. Initially everyone was a little nervous, with so many unfamiliar faces, but we soon found out we had no reason to be nervous. Everyone was enthusiastic and friendly and I met so many lovely people from all over the state. The staff and volunteers who were part of this event were extremely helpful and we even met Lucy Turnbull, Malcolm Turnbull's wife, who told us about the Greater Sydney Commission and their role in our future.

We were organised into groups based on the topics we thought were of most importance to young people, such as bullying, drugs and alcohol. I was put in the Environment group and together, we had to write a speech around this topic to present to Parliament the next day. After spending a lot of the time meeting people and laughing and exchanging differences in school life, we got to work. There are so many issues concerning the environment, so we decided to focus on ideas that the NSW Parliament could act on, such as banning the use of lightweight plastic bags and educating youth on the importance of this issue. We each prepared a two minute speech and I was fortunate enough to address the plastic bag ban with a new friend I met who was from Bellingen. All groups furiously worked on their speeches until we were taken to our accommodation for the night.

The next morning everyone hastily put on their school uniforms and added a few extra tweaks to their speeches. We were all a mix of nerves and excitement. Back on the bus we got, and arrived at the NSW Parliament, where we were shown into a beautiful room with wooden panels and bookshelves thick with books. There we had a snack and heard from people from Parliament and the ACYP; following this, we entered the Green House of Representatives, or the 'bear pit' as it's known. A small introduction from Taylor Martin (a member of the Legislative Council), and the first ever Youth Parliament started.

It was so amazing to hear these insightful speeches and views from children my age, and the Environment group was lucky enough to speak in front of Justin Field, a Member of the Legislative Council for the Greens Party. Throughout the day we heard from Jihad Dib, the Shadow Minister for Education and fortunately enough, Andrew Fraser, the representative for our electorate Coffs Harbour, was in the building at the time so my friend from Bellingen and I were invited to his office where we met him and spoke to him about the issues we felt passionate about and were told of some of his ideas for the Coffs Harbour region. To sum it all up, this was an experience that I will never forget. I met so many wonderful people and expanded my knowledge on the ways of Parliament and issues important to young people.

YEAR 7 HISTORY

This semester some of our Year 7 History classes have been studying Ancient Egypt. We had a great time mummifying apples – we followed a 'mummifying recipe' peeled and carved our apples with faces and then gave them a name, we measured the height and circumference. We then waited two weeks and observed the results. It was amazing (and gross) the apples had reduced approximately $\frac{3}{4}$ in size and lost all of their moisture.

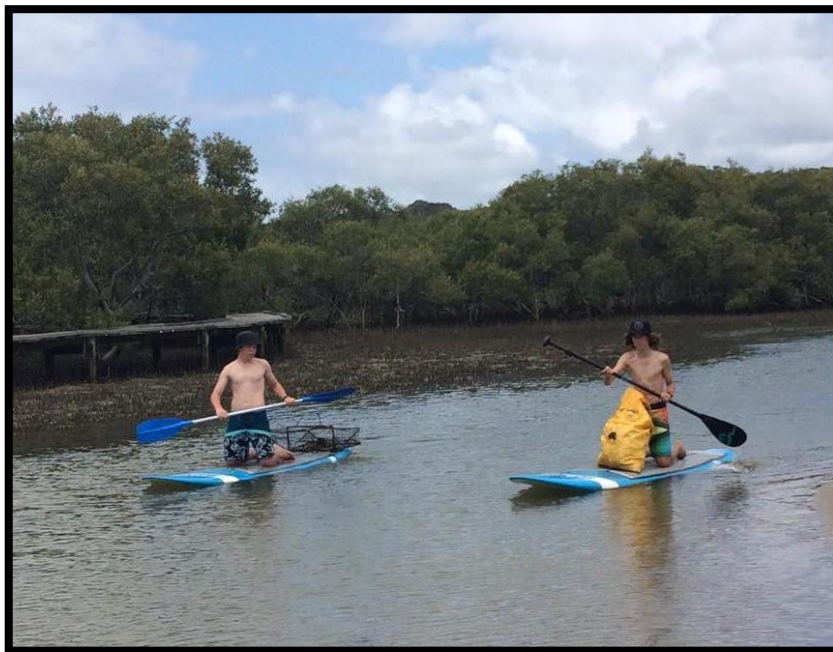

As part of our major projects we created Ancient Egypt dioramas, a lot of time and effort was put into these and the results were outstanding!

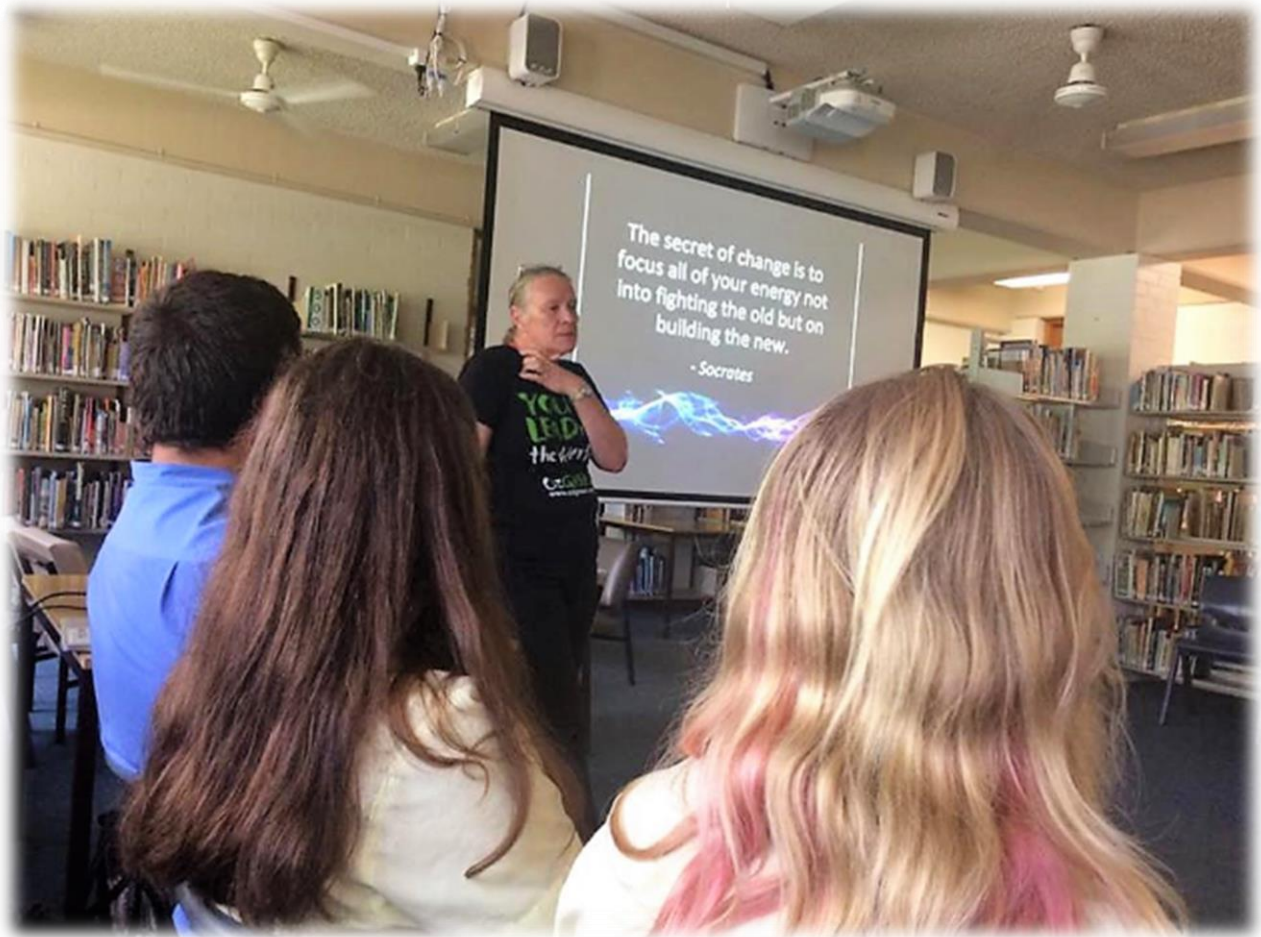

THE ENVIRONMENTAL REPRESENTATIVE COUNCIL

To end a very productive year the ERC conducted our annual Coffs Creek Clean Up. 12 students, along with Ms Bonney and the assistance of Clark Webb from Wajaana Yaam Adventure Tours, set out to collect as much rubbish from the mangrove, sand and recreational areas as we could. We spent a few hours plucking rubbish that included an old flip phone, plastics, rusted boat parts, fishing line, old cordial bottles and much more. We liaised with the Coffs Harbour City Council Waste Department for our rubbish to be collected.

HSIE/LANGUAGES FACULTY

Three members of the ERC attended the first ever 'Youth Environment Council Congress' at Orara High School. Three schools were involved along with representatives from OzGreen, The Environmental Education Centre and The Coffs Harbour City Council's Sustainability Department. We spent the day workshopping, discussing biodiversity, meditating, enjoying a waste free lunch and discussing future endeavours that our young environmental leaders will be part of.

Pictured with Sue Lennox from OzGreen are three ERC students

ENVIRONMENT REPRESENTATIVE COMMITTEE COORDINATOR

YEAR 10 GET YOUR FEET WET BELLINGEN FIELDWORK EXCURSION

Recently, Ms Webb, Mr Donald and Mr Venn were lucky enough to accompany the Year 10 Get Your Feet Wet class to Bellingen to study fresh water river systems. A great time was had by all, with a day spent on the water in canoes, including a guided tour and orienteering treasure hunt with Bellingen Canoe Adventures. Students were taught the history and geography of the local area, and Cameron, Luke and Ben even caught (and released) a fish! At Coffs High, we are so lucky to be right on the coast, so it was an incredible experience for our students to experience and interact with a fresh water system, and a different part of Gumbaynggirr country.

Fiona Webb

TEACHER – HSIE/LEARNING AND SUPPORT – ABORIGINAL PROGRAMS

MATHEMATICS COMPETITIONS

This year at Coffs Harbour High School we participated in both the Australian Mathematics Competition (AMC) and the University of NSW ICAS Mathematics Competition.

The results are in and congratulations go to all entrants. All who participated received their certificates at year assemblies this term.

In AMC awards are based on the following criteria:

A High Distinction Certificate is awarded to a student who has not received a higher award but is in the top 3% of their year and region.

A Distinction Certificate is awarded to a student who has not received a higher award but is in the top 20% of their year and region.

A Credit Certificate is awarded to a student who has not received a higher award but is in the top 55% of their year and region.

The Proficiency Certificate is awarded to a student who has not received a one of the above, but who has nonetheless received a satisfactory score indicating satisfactory competence at mathematics and problem solving with mathematics.

In the AMC our top recipients were:

| | | |
|------------------|---------|------------------|
| Elicia Bull | Year 7 | Credit |
| Sam Woolford | Year 7 | Distinction |
| Zayn Pike | Year 8 | Credit |
| Sebastian Thomas | Year 8 | Distinction |
| Oscar Woolford | Year 8 | High Distinction |
| Luke Austin | Year 10 | Distinction |
| Angus Croak | Year 10 | Credit |
| Matthew Knight | Year 10 | Credit |
| Kiara Knight | Year 10 | Credit |

All other AMC entrants received the Proficient Certificate.

The ICAS Competition has a different set of criteria for its awards:

The High Distinction Certificate is awarded to the top 1% of participants.

The Distinction Certificate is awarded to the next 10%.

The Credit Certificate is awarded to next 25%.

MATHEMATICS FACULTY

Our top performers in this competition were:

| | | |
|---------------------|---------|------------------|
| Elicia Bull | Year 7 | Credit |
| Sam Bleechmore | Year 7 | Credit |
| Kye Grant | Year 7 | Credit |
| Emily Nielsen | Year 7 | Credit |
| Jake Whiley | Year 7 | Credit |
| Sam Woolford | Year 7 | Distinction |
| Zayn Pike | Year 8 | Distinction |
| Sebastian Thomas | Year 8 | Credit |
| Oscar Woolford | Year 8 | High Distinction |
| Matthew Knight | Year 10 | Credit |
| Kiara Knight | Year 10 | Credit |
| Annabel Easson | Year 10 | Credit |
| Harrison Gregorovic | Year 10 | Credit |
| Angus Miller | Year 10 | Credit |
| Angus Tedeschi | Year 10 | Credit |

Both Mathematics Competitions will run again next year with hopefully more entrants.

All entrants enjoyed a pizza lunch as a celebration on Thursday 7th December.

Forms for both competitions will come out early Term 1 in 2018.

Mathematics Enrichment

As a result of the high flyers in Years 7 and 8 in both the AMC and ICAS, we were able to run a Mathematics Enrichment Group to delve further into problem solving needed for such competitions. This opportunity came about thanks to Mr Kitch Morris, a former Head Teacher Mathematics from Coffs Harbour High School, who ran the group.

Some feedback from the students about this experience were:

“Maths with Mr Morris was a fun and exciting challenge” – Zayn Pike

“Enrichment Maths with Mr Morris was a great experience. I always looked forward to Friday’s when we had it” – Georgie Kuchel

“The Enrichment Maths classes were enjoyable and I learnt a lot” – Elicia Bull

“The Maths Enrichment program with Mr Morris was very worthwhile and enjoyable. I think it should run again, if that’s possible” – Oscar Woolford

“Maths with Mr Morris was fun and I learnt a lot in that time” – Sebastian Thomas

PDHPE FACULTY

THE BIG BANANA STILL ROCKS!

Another fantastic day in paradise at the Big Banana. Fifty two students attended the PDHPE Big Day Out and had a ball. The first stop was the Giant Slide, where students got to test out their speed and race each other down the "humpy" slide. The group then split into two groups to try out the Toboggan rides and Mini Golf Course. No brake was used on the Toboggans and a full 18 holes were played. Lunch and water slides was next with the favourite being the "Kamikaze" and the tube ride. In the afternoon the two groups swapped over the Mini Golf and Toboggan ride.

Thank you to all students whose manners and behaviour made it a pleasure for Mr Valentine and Mrs Pearce to accompany this group.

Jennifer Pearce
PDHPE TEACHER

CHINESE DUMPLINGS

The Year 9 Food Glorious Food Cooking class made Dumplings with the aid of two Chinese teachers and the Year 9 100 hour Chinese Class. The class had two choices of dumplings: Vegetarian or Pork and Cabbage, with a spicy dipping sauce. The classes used traditional Chinese ingredients such as Pork Mince, Chinese cabbage and Shaoxing Rice Wine. We also made our own dough to wrap them. The classes also learnt the traditional Chinese folding technique.

The dumplings took around 75 minutes for prepare and cook. They were so delicious but we accidentally made too many, but we still managed to eat them all. (Hěn hǎo – very good).

Ethan, Jimmy, Dean and Luke
YEAR 9 FGF CLASSES

YEAR 7 ~ MONSTERS

Within the Year 7 'Monsters' unit this year we have seen many creatively designed projects. These Monsters start with inspiration drawn from a variety of sources and initial ideas are hand drawn and computer generated.

The project of Clover Bourne from 7TM2 Textiles Technology, demonstrates thorough design skills with a high level of creativity. Clover is to be commended on her efforts!

Carly Murray
TAS TEACHER

2018 AUSTRALIAN JUNIOR (SCHOOLS) SLALOM AND WHITEWATER CHAMPIONSHIPS

Tara Everson (Year 9) will be representing Coffs Harbour High School at the 2018 Australian Canoe Slalom Championships to be held 4th to 12th January 2018 in Eildon, Victoria.

We wish Tara all the very best of luck in the events she will be competing in and we look forward to hearing her results.

Jennifer Pearce
PDHPE TEACHER

UNDER 15'S NETBALL GALA DAY

The Under 15's Netball Team travelled to Woolgoolga on 10th November to compete in the Zone Knockout Gala Day. In the first round we were due to play against Bellingen High and we won on a forfeit. In our second game we came up against Toormina High. The girls played a great game, considering the Toormina team towered over them in height. Unfortunately, we lost the game 26-6. In the third round we played a consolation game against Grafton.

Thank you to all of the girls who showed sportsmanship and team morale and the parents for their support.

Jennifer Pearce
PDHPE TEACHER

JACOB WINS A NSW SPORTING BLUE AWARD

Congratulations to Jacob Ford (Year 11) on receiving a NSW Sporting Blue award for his performance in School Squash this year.

Jacob won the NSW Combined High Schools Championship in June and represented NSW in the Annual Trans-Tasman Challenge between Queensland, New Zealand and NSW Combined High Schools.

Well done Jacob.

NORTH COAST CHS SURF LIFESAVING CARNIVAL

Jorja Welch, Hayley Fischer and Cloe Nolan participated in the North Coast CHS Surf Lifesaving Carnival held at Bonny Hills on Wednesday 1st December. Large swells presented challenging conditions for both surfing and surf lifesaving events.

All three girls represented Coffs Harbour High School to the highest standard not only winning the vast majority of their age group events in the water and on the sand, but also coming home with U13s Age Champion: Jorja Welch, U14s Age Champion: Hayley Fischer, and Jorja Welch winning Athlete of the Competition.

It's exceptional to see such a dominant performance girls. Well done!

Ryan Twigg
PDHPE TEACHER

L-R: Cloe Nolan (Year 7), Jorja Welch (Year 8) and Hayley Fischer (Year 8)

CAREERS

SCHOOL BASED APPRENTICE OF THE YEAR

Congratulations to Blake Hall who was recently named the Novaskill Apprentice of the Year. Blake is completing a School Based Apprenticeship with Senki Electrical whilst also completing Year 12.

COFFS HARBOUR HIGH SCHOOL CAREERS EXPO

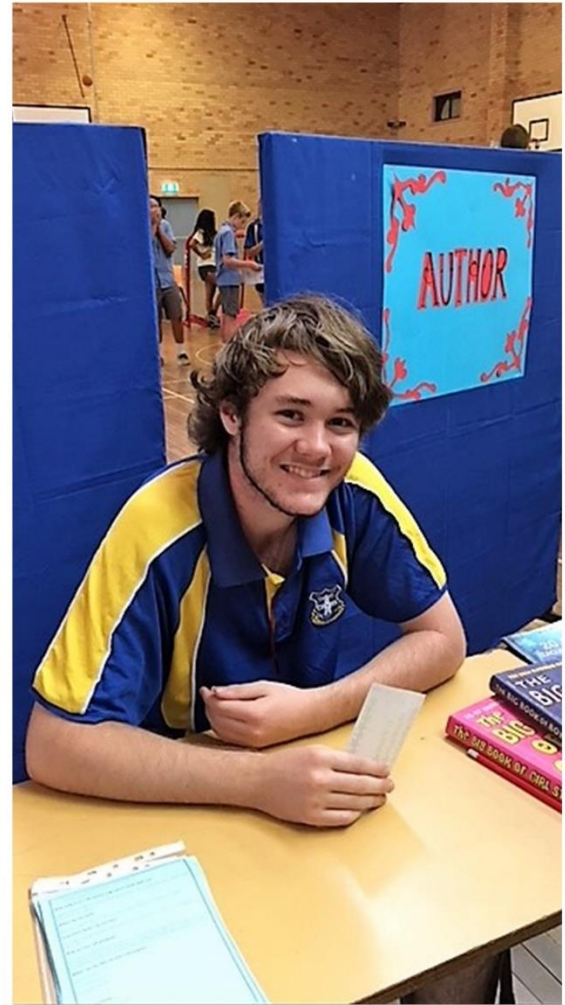

Coffs Harbour High School held the second annual Careers Expo at the school, hosted by Year 10 students. Students researched and then promoted an occupation of their choosing to students in Years 8 and 9. Occupations highlighted included flight attendant, hairdresser, childcare worker and detective, whilst other small groups decided to highlight industry areas such as entertainment and retail. The students put in a significant amount of work and pooled their resources to produce a fun and educational day for younger students. *(More photos over).*
