TERM 2, WEEK 10

4 JULY, 2025

FROM THE PRINCIPAL

As we reach the end of Term 2, I wanted to thank all our students and particularly our staff, for their efforts over the term. I wanted to thank parents for their perseverance over what has been quite an extended period of wet weather. I am hopeful that things will now fine up for the break and moving into next term. I hope everyone has a great break and enjoys this finer weather. A reminder that school resumes for students in Term 3 on Tuesday 22nd July. It will be a week A and we will start with a school assembly in the hall for our morning roll call. I would also like parents to be aware that our Head Teacher Inclusive Learning, Mrs Garrels, has been seconded into a relieving Department of Education Learning and Wellbeing Officer consultancy position for the remainder of the year. Mrs Guthrie will be relieving Head Teacher in her absence.

School Academic Reports

We expect to have all our mid-year Years 7 – 11 academic reports available for parents from the end of term. I made the call earlier this year to suspend and re-schedule some of our formal assessment tasks and exams during the two major weather events we have experienced. I did not want students adversely impacted when they were potentially cut off from school or while families were managing bigger issues. This meant that I subsequently compressed the time that teachers had to finalise their assessment and reporting. I do appreciate the fact that staff have done their best to accommodate these changes.

Coffs Harbour Jetty Foreshore Planning Proposal

I would like the school community to be aware that I have made a public submission as part of consultation for the Jetty Foreshore Planning Proposal. The submission was done in my capacity as a public servant and as Principal of the school, representing the interests of students, staff and parents. It in no way reflects my personal opinion or approval/disapproval of the proposal. Instead, it reflected concerns I had relating to the impact on the school, and particularly the impact on student and staff safety. For those unaware, the proposal would appear to have a major impact on the traffic and use of Camperdown Street.

Camperdown Street is on the eastern boundary of the school and our students must cross at the pedestrian crossing here throughout the day to access our oval across the road, as well as when moving down to the Jetty area for sport and other activities, and at the start and end of the day moving to and from school. It appeared to me that the proposal will involve a much greater use of Camperdown Street as a major access to the new development. For this reason, I raised concerns regarding the impact of the development and, in a positive sense, put forward proposals for several measures I feel should be included in planning to mitigate these impacts. I would assume that my submission will be publicly available. As it is more than five pages in length, I did not want to include it here in full, but I did feel it worth sharing with you a summary of the measures I have proposed be investigated to help mitigate the concerns I expressed.

- There is ample room to make the entry/exit from Marine Parade more efficient, reducing the need for increased traffic flow on Camperdown Street.

- If traffic is to increase on Camperdown Street, work must be done on the intersection to manage the traffic flow turning right onto Harbour Drive.

- There is currently no traffic calming device at all on Camperdown Street. This is particularly an issue for traffic coming downhill at speed towards Harbour Drive. I propose raising the pedestrian crossing for the school. This would make the crossing safer for children and ensure traffic is slowed before entering Harbour Drive.

- Given the increased traffic and given that children are having to cross Camperdown Street throughout the day, the end of Camperdown Street, preferably the area running along the boundary of the school, should be made into a flat 40 Km/hr zone (rather than just a school zone). This would be significantly safer for children and consistent with the speed limit of Harbour Drive in the area leading to and from the intersection with Camperdown Street.

- With increased traffic down Camperdown Street, given the amount of pedestrian traffic crossing at the end of the street at Harbour Drive, it would be worth investigating pedestrian barriers/fencing on the corner to help direct pedestrians to the pedestrian refuge and/or crossing. This could be extended up Harbour Drive and Camperdown Street on the school boundary to manage students getting off and onto school buses, with appropriate access points for the buses that pull up along these boundaries.

- The proposed pedestrian bridge would be more ideally situated where it is most likely to be used, in closer proximity to the Jetty Strip shops and shopping centre on Harbour Drive. This is particularly relevant to our school because we are often moving large numbers of students down to the Jetty area for sport/PE lessons and large numbers of young people independently frequent the Jetty area on foot outside of school operation. This would put this foot traffic closer to the Jetty itself and avoid having large numbers of young people moving through what will essentially be a significant residential area.

If the development goes ahead as proposed then I am very much hoping that the concerns I have raised and the potential solutions I have put forward are given serious consideration.

ALL THINGS BABY!

This term in Year 10 Child Studies, students have been 'clucking' with excitement as they dive into the fascinating world of newborn care! The classroom has transformed into a lively nursery, filled with adorable little babies that the students have eagerly learned to care for.

With plenty of hands-on experience, our budding caregivers have mastered essential skills: from the gentle art of handling and settling a newborn, to perfectly wrapping them up for a cozy sleep, feeding, dressing and even bathing! Each session has brought new challenges and delightful moments, fostering a deeper understanding of what it truly means to nurture and care for an infant.

Adding to the magic, we were thrilled to welcome guest speaker Mrs. Cummings and her adorable baby, Miss Hallie. As soon as she entered the room, the energy skyrocketed! The students were completely captivated by Miss Hallie, hanging on to Mrs. Cummings' every word about the joys and challenges of parenting. It was a truly enriching experience that brought the theory to life and left everyone inspired.

A huge shoutout to Mr. Field for investing in those precious babies! They have certainly been a big hit in our class, bringing laughter, learning, and a whole lot of 'baby love' to our term. The experience has not only been educational but also incredibly heartwarming, creating memories and skills that will last a lifetime!

Jennifer Pearce

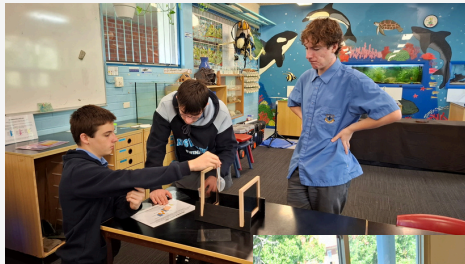

PDHPE TEACHER / CHHS CARNIVAL COORDINATOR

Discovery Voyager Brings Science to Life at Coffs Harbour High

Last week, Coffs Harbour High School had the opportunity to host the Discovery Voyager team for a day of engaging, hands-on science activities.

Students took part in a variety of curriculum-aligned sessions, including:

-  Creative Chemistry – colourful reactions and bubbling experiments
-  The Magic of Physics – exploring energy, forces, and motion
-  Plants, Poop and Pollinators – understanding ecosystems and natural cycles
-  Crime Scene: Forensic Science – using scientific skills to solve mysteries

Each session ran for 45 minutes and was designed to encourage curiosity, collaboration, and critical thinking. The activities supported classroom learning while giving students the chance to experience science in a fun and interactive way.

It was a fantastic day of learning, and students left inspired and eager to explore more!

Kyle MacDonald
SCIENCE TEACHER

Year 11 Biology Biological Diversity Day - Coffs Harbour Botanic Garden Wednesday 4th June

This excellent full-day program was run by educators from the Australian Museum, Taronga Zoo, and the North Coast Regional Botanic Garden.

Students had an opportunity to explore the complex aspects of the Module 4 unit with NSW's top scientific institutions. Students examined fossils, live animals, and plants, to understand biological diversity and explain the relationships between a range of organisms in terms of specialisation and evolution of species.

Agriculture at CHHS

As usual there has been loads of hands-on fun being had at the school farm in Agriculture. The Year 9 & 10 Agriculture classes have put in crops of garlic and potatoes, harvested citrus, and cared for the wellbeing of the rabbits and sheep. The Year 8 Science classes have begun their plots after a delayed start due to the various weather events we have had here in Coffs Harbour. The annual Year 8 Agstravaganza will be held next term at the farm - check out the save date in this newsletter. As always, parents and carers are invited to attend this fun school event.

SAVE THE DATE!!

AGSTRAVAGANZA!!

Sport Report

As we reach the halfway point of the school year, there have been more fantastic sporting achievements from some of our very talented athletes.

Australian Rules Football - 15s Boys

Our CHHS 15s Boys AFL Team had another strong year in 2025, making it through to the North Coast Final. They travelled to take on Kingscliff once again on Friday 13th June.

Unfortunately Kingscliff were a little too strong and managed to win 9 - 3 - 57 to CHHS 2 - 3 - 15. The entire team should be commended for their efforts and hopefully next year we will be able to go one step further and win the North Coast Final.

Australian Rules Football - 15s Girls

A massive congratulations to Zoe Tarlinton who was selected to play in the CHS 15s Girls AFL Team earlier this term. Zoe had an amazing tournament and was selected in the NSW All Schools Team to play in the Nationals.

Not only was she selected for the New South Wales All Schools Team, Zoe played so well that she was awarded the NSW CHS MVP for the tournament. Awesome effort, Zoe. Best of luck in Queensland for the Nationals.

NSWCHSSA - Secondary Football - Boys - Championship

Congratulations to Harrison Mitchell, Yvan Munyaneza and Kenny Munyaneza on their selection in the North Coast Opens Boys Football Team.

The three boys went to Blacktown, Sydney and competed over three days in early June. The competition was strong and North Coast managed to finish 9th overall.

15s Soccer - Bill Turner Cup (Boys)

Our 15s boys team had a great start to the Bill Turner Cup notching up two victories. They managed to make it through to the third round where they came up against a strong JPC team and were unable to get past them, going down 2-0.

15s Soccer - Bill Turner Trophy (Girls)

Our 15s Girls Soccer team deserve a massive congratulations for making it through to the fourth round of the Bill Turner Trophy this year. The young side had great wins over BDC, CCS and Bellingen HS to set up a match with JPC. Unfortunately the girls came up against a well structured and older team in JPC, one with many NPL players. They lost 6-0 but should be proud of their efforts to make it that deep into the draw. Next year they will have basically the same team as this year, so they will hope to go even further.

Golf

Congratulations to Jacob Cross for his selection in the North Coast Golf Team to go all the way to Dubbo to compete in the NSWCHSSA Golf Championships this term.

While Jacob didn't perform as well as he would have liked - he finished 47th out of 71 players - still a massive achievement. Well done Jacob.

Gymnastics

One very talented gymnast from Coffs Harbour High School was selected in the North Coast Team to compete in the NSWCHSSA Gymnastics Championships held at the Sydney Gymnastics and Aquatics Centre in June this year. Ruby Deacon travelled down to Sydney and performed extremely well throughout the competition. Well done Ruby

FREQUENTLY ASKED QUESTIONS

**COFFS HARBOUR
SATURDAY 12 JULY 2025**

Q - How do I register? Can I register as an individual or do I need a team ?

A - Everyone needs to register through Basketball Connect using link below:
<https://bnswnsw.info/BNSWNAIDOCGala>

If you have a team sorted, please provide your team name when prompted.
If you haven't got a team organised, please write "**NO TEAM**" when prompted
and we will find you a team on the day.

Q - Do I have to be Indigenous to register to play ?

A - No - everyone is welcome from all backgrounds

Q - Can I drop the kids off or do I need to stay with them during the event ?

A - A responsible adult is asked to remain with children under the age of 12.
Organisers are not responsible for child supervision.

Q - My friends and I play Representative Basketball - can we register a team ?

**A - You can register a team but there is a maximum of TWO div 1 or div 2 rep
players per team to ensure we have fair play. Invite some of your school mates
to join your team.**

Q - What age groups are there?

A - Skills session for non-playing 5 to 11 year olds

U12s: Born 2014, 2015 or 2016

U14s: Born 2012 & 2013

U16s: Born 2011 & 2010

OPENS: Born 2009 & earlier

Q - Will there be food and drinks available?

A - Yes there is a free sausage sizzle for everyone!
The canteen will also be open for purchases.

30/06/2025

To Parents and Guardians,

RE: School Bus Travel & SSTS Pass Requirement

We'd like to remind families that all students travelling on our school bus services must have a valid bus pass under the NSW School Student Transport Scheme (SSTS)—either a School Bus Pass or a School Term Bus Pass. Drivers are required to check passes upon boarding, and students without one may be refused travel.

How to Apply

Applications must be made online through the Transport for NSW portal. Please visit:

Free School Bus Pass (if eligible): <https://www.service.nsw.gov.au/transaction/apply-for-a-school-travel-pass>

Paid School Term Bus Pass (for ineligible students): <https://apps.transport.nsw.gov.au/ApplyTBP>

For more information on the scheme: <https://transportnsw.info/travel-info/school-travel>

You'll need to complete the application and nominate our bus company as the operator. The school will then confirm the details. If approved, your child's pass will be sent by post.

Eligibility & Use

Eligibility for free travel:

- Kindergarten to Year 2: automatically eligible
- Years 3–6: must live 1.6 km+ (straight line) or 2.3 km+ (walking) from school
- Years 7–12: must live 2.0 km+ (straight line) or 2.9 km+ (walking) from school

Students must:

- Carry and show their pass to the driver each day
- Only use the pass for travel between home and school
- Follow the Code of Conduct for School Students on Buses

If your child's pass is lost, damaged or details change, please reapply or update the application using the links above. Until the replacement arrives, students must pay the regular fare.

Thank you for helping us provide a safe and efficient service. For any questions, contact our office.

Yours sincerely

Dene Petty
Regional Manager
